These are the Seniors who remember the uneasy moments as they approached Union College; the warm friendliness of Union which soon dispelled all fears; the first days of orientation, especially "Rat Week" which proved their undaunting sportsmanship.

These are the Seniors who kept the traditions of Union by not sitting at the foot or head of a table in the dining hall and not using the walk in front of Pfeiffer Hall until Thanksgiving time.

These are the Seniors who four years later rejoiced in the fall when they realized this was their last year but in the spring felt sad at the thought of leaving. At graduation they sang the Alma Mater together for the last time, and as they marched from the Chapel they carried hopes for the future, a diploma of the present, and cherished memories of Union "girt with many a grand old mountain".

These are the Juniors who feted the Seniors at the traditional Junior-Senior Banquet. These are the Juniors who watched the Seniors prepare for graduation and wondered how things would be on the campus when they were gone. On "move-up" day the Juniors filled the Senior section with a feeling of pride that they would soon be Seniors.

These are the Juniors to whom the Seniors leave the challenge "carry on".

Every student is invited to attend the Union College Christian Association which was organized to unite all religious faiths on the campus. This group is devoted to the advancement of Christian ideals. This year the Association sponsored weekly refreshments for a group of under-privilege children. A series of talks on "Boy-Girl Relationships" by the sponsor, Reverend Mattingly, was the most interesting series of the year.

The Oxford Club Auxiliary is composed of the students who are planning for full-time Christian Service other than the ministry. Its membership is voluntary. The purpose of the Club is to stimulate interest in the field of Christian work by presenting to the members the various opportunities of service. The Club sponsors worship chapel programs and assists the Oxford Club in its promotion of Christian work on the campus.

The Council of the Women's Student Association co-operates with the Administration in promoting high ideals and standards consistent with the best interests of the students. It is responsible for order in the dormitories and helps to formulate the rules governing conduct. It provides a program of social life for the students by arranging for parties and teas.

A major social project of the Council is Open House.

Through weekly devotional meetings it promotes interest in the spiritual life of the college.

This year Union had a complete A Cappella Choir for the first time since 1939. Choir members are chosen on the basis of scholarship, music ability, personality.

The Choir presented an inspiring program of Christmas choral music, part of which was taken from "The Shepherd's Christmas" by Morten Lucass and the Choir's own director, Professor Everett Hendricks.

For the first time in several years the Choir made a series of appearances on a tour of parts of Kentucky and Ohio from March 15 to March 23.

Throughout the year the Choir lent an impressive element to the Wednesday morning Chapel service.

The name of the Spanish Club aptly expresses its purpose. La Tertulia means "a gathering of friends who meet for discussion and recreation."

This group tries to stimulate interest in Spanish and Spanish speaking countries and their customs.

An outstanding activity which is sponsored by La Tertulia and has become an annual event is the "Spanish Fiesta".

The Veterans Club seeks to promote good fellowship as the veteran rehabilitates himself to college life.

This year the Club collaborated with the Kentucky Association of Student Veterans' Clubs in an effort to increase the G. I. subsistence allowance, in a drive to pay higher salaries to teachers and to encourage higher qualifications for teaching.

THE VETERANS' CLUB

The Beta Chi Alpha is a social sorority which strives toward the ideal of beauty, culture and art among the students. Membership is by invitation on the basis of scholarship, personality, and cooperative spirit.

To serve the college and community in extra-curricular practical art contributions is the aim of the Art Club.

The membership is composed of those persons interested in serving this purpose.

The most outstanding projects that have been carried out during the past year were the stained glass window effect for the A Cappella Choir Christmas program and posters and invitations for various groups on the campus.

It is the purpose of the Women's Athletic Association to promote interest and encourage participation in physical education activities. A systematic record of the participation in these activities is kept and awards are presented at the end of the year.

The Club is open to all women students.

Each year this Club sponsors the "Winter Carnival."

THE WOMEN'S ATHLETIC ASSOCIATION

As the Stespean went to press, the attention of the sports' enthusiasts was turned from basketball to baseball. There had not been an organized team on the campus during the war years, but the men were eager to get started again.

Several men were reported to be loaded with ability, and everyone was awaiting the announcement of the team line-up. Some games were scheduled with Kentucky and other collegiate Athletic Conference teams.

“WORKING ON THE TRACK FIELD”

Union's anticipated track team for 1947 was delayed due to the incompletion of the track field. The 440 yard oval track when completed will be the finest in Kentucky. Union will take the lead in track in this section of the state.

It is anticipated that all the high school meets as well as many of the college meets will be held on this track. The track will be of the very finest and will make possible great expansion of Union's athletic program. When completed the track will surround the extended field which can be used for football, hockey, soccer, touch football, and other field sports.
